

# Ranger BCD Custom Color Order Form

The Ranger shown above is an extreme example of customer colors. You can order your Ranger with any of the Panels described below in the colors shown in the color bar. Each Panel in a color other than standard black, will add to the Retail Price (see your dealer). When completed, take this form to your Zeagle Dealer. They will add this information to any other custom options you request for your BCD. Write the color you desire next to the panels on the list below. Any panels left blank will come in standard Black. Colored panels are made from Cordura fabric.
